## Arqstone – engineered stone – strong, durable, natural

Arqstone sinks, made in Europe from natural quartz, are extremely tough and resistant to high temperatures, scratching and stains. The high density stone surface is easy to clean and the smooth finish ensures a high level of hygiene.

- Square lines, smooth finish, made from pure natural quartz aggregate
- Butler sink
- Exceptionally strong and durable
- Deep, large capacity bowl, easy to clean corners, 10mm radii
- Stainless steel basket waste
