### Product details

CISTERN	Universal, suits back entry inlet or bottom entry plumbing. Left and right bottom entry inlet points.
PAN	Wall faced close coupled with rimless pan design.
TRAPS	Universal trap, suitable for S or P trap installations.
SEAT	Quick release seat with stainless steel hinges, soft closing.
WELS	4 star rating 4.5/3 litre water saving flush.
SETOUT	Variable 90-180 using supplied connector; 150mm recommended.
FIXING	This is a close coupled toilet suite — the cistern is fixed directly to the pan and does not require wall fixing. Pan may be bedded with cement base or using silicone sealant.

Toilet seat options. Our premium toilet seats are made from Thermoset, a rigid, ceramic-like material that is anti-scratch and easy to clean.

### Please note

- Installation shall be in accordance with AS/NZS3500.
- All measurements are in millimetres. Height dimensions are to base of pan. Make allowance for bedding.
- Bedding: Pan may be bedded with cement base or using silicone sealant. Fix pan to floor using a sand cement mixture of 3:1 to a depth of 60mm. Do not use lime or fast-drying cement.

- Bracket fixing: The pan should be bedded with silicone sealant and fixed with the brackets supplied.
- Do NOT use epoxy type adhesives.
- Dimensions are nominal and subject to normal ceramic manufacturing variations.
- Specifications may vary without notice as part of our continuous improvement practices.
- Clean with a damp cloth. Do not use abrasive cleaners, liquids or pastes.
