

AKT809BA

60CM 4 ZONE RADIANT COOKTOP

FEATURES & BENEFITS

RESIDUAL HEAT INDICATORS

As long as the element is hot a light will continue to glow. This safety feature will lessen the chance of accidentally burning yourself.

KEY LOCK

The Key Lock function locks the hob's other functions, with the exception of the On/Off button. The function remains on even after the hob is switched off to prevent any accidents.

TIMER

The Timer Function allows you to select a desired cooking zone and power setting, allowing you to have more control over the cooking experience. Whether you need to simmer, melt or boil.

WARRANTY

Guarantees peace of mind and value for money knowing that any product fault or defect is covered by full replacement parts and/or a service call to ensure the product works as described.
