Warranty

HELPFUL TIPS

- + Leave your rangehood on for 15 minutes after the cooking of the food to remove all odors, steam etc.
- + The dishwasher-safe cassette filters need to be cleaned after approximately 2 months of standard operation
- + It is recommended that the rangehood be installed between 650mm and 750mm above the cooktop
- + It is also recommended that fumes from the rangehood be ducted out into the atmosphere.
- + Turn off the rangehood before attempting to clean

INSTALLATION

Installation is recommended by a qualified installer, please refer to the product manual for full installation instructions.
