64-66-69 dBA

TIPS FOR BETTER USE

- Leave your range hood on for 15 minutes after the cooking of the food to remove all odors, steam etc.
 - The dishwasher-safe cassette filters need to be cleaned after approximately 2 months of standard operation
 - It is recommended the range hood be installed between 650mm and 750mm above the cook top
 - It is also recommended that fumes from the range hood be ducted out into the atmosphere.
 - Turn off the range hood before attempting to clean
- Installation recommended by qualified installer.**

ELECTRICAL REQUIREMENT:

Range hood is supplied with 10amp cord & plug.
