FEATURES & BENEFITS

Sanitise dishes

Add the Sanitise wash modifier to any cycle for a final high-temperature rinse that helps to kill 99.9% of bacteria.* *Independently tested to eliminate more than 99.99% of Staphylococcus aureus and Escherichia coli.

Advanced drying

For effective drying, the dishwasher door automatically opens at the end of the cycle to help remove excess moisture. Add the +Dry modifier on any cycle for an enhanced dry, ideal for plastics.

Auto Wash sensing

The Auto Wash program uses sensors to detect how dirty your dishes are and set the ideal wash, reducing unnecessary water and energy use for a more sustainable clean.

Flexible loading

With generous capacity, this dishwasher has a height-adjustable upper basket to make room for tall dishes in the lower basket, plus foldable cup racks and tines.

Considered design

This dishwasher features modern styling and a satina finish to match Haier refrigerators, with soft-touch controls, an LED display and a child lock for peace of mind.

Smart control

With Wi-Fi capability, you can easily control your dishwasher remotely using the SmarHq™ app and receive helpful alerts.
