

# Combi Front Loader Washer Dryer, 9kg + 5kg

White

Choose from a variety of cycles and options including 6 continuous wash-dry cycles for even more convenience. Wi-Fi compatibility puts you in control so you can start and stop cycles when it suits, straight from your Smartphone.

## DIMENSIONS

Height	850mm
Width	595mm
Depth	670mm

## FEATURES & BENEFITS

### Washer and Dryer in one

With six continuous wash-dry cycles that cater to different types of fabrics you can just set and forget and come back to clean, dry clothing.

### Refresh cycle

The time-saving Refresh cycle uses steam technology to deodorise and dewrinkle garments.

### Smart sensor-dry

Auto-sensing technology is designed to sense how much moisture is in your laundry to avoid under or over drying.

### Considered design

Intuitive buttons and LED display on a dark control panel makes it easier to select between wash and dry cycles even in dim light.

### Connected Living

With Wi-Fi connectivity and using the SmartHQ™ app, you can start or stop cycles directly from your smartphone.

### Hygienic environment

The Antibacterial Treated door gasket helps maintain a more hygienic wash environment, while your clothes can be kept even cleaner with a Sanitise option that can be applied to selected cycles.

### Everyday conveniences to make your life easier

If you're in a hurry, you can use the Speed up function for a quicker wash and dry cycle. And Garment+ lets you add in forgotten items even after the wash has started.

## SPECIFICATIONS

### Capacity

Total capacity (Wash) 9kg + (Dry) 5kg

### Consumption

Energy rating 5 star (Wash) + 4 star (Dry)

Water consumption per cycle 77L

Water rating (WELS) 4.5 star
