FEATURES & BENEFITS

A function for every food

Seven cooking functions including specialised Pizza Plus and Pastry Plus to help you create a perfectly cooked base or golden-brown pastry crust. Each oven cavity can run independently on its own oven function and temperature.

Simple cleaning

Spend less time cleaning with self-cleaning catalytic side panels that absorb splashes during cooking. When the oven needs a clean, simply remove the oven door or the inner glass of the door to help you keep your oven beautifully clean.

Stylish design

A refined black-glass design gives a modern finish to your kitchen, making this oven perfect for matching with a Haier induction cooktop.

Safety features

Designed for safety with a child lock and cool-to-touch oven door. The non-tip shelf safety system and telescopic guides make pulling out hot dishes easy.
