## 6th SENSE 14 PLACE FREESTANDING DISHWASHER

### FEATURES & BENEFITS

#### 6TH SENSE TECHNOLOGY

6th SENSE automatically detects and monitors the level of soil thanks to a smart sensor and adapts the cycle parameters and program settings accordingly. You will always get perfectly clean dishes with no effort, saving time and water.

#### MULTI ZONE

If you do not have many dishes to be washed, a half load may be used to save water, energy and detergent.

#### SANI RINSE

This option allows higher temperatures to be used in order to guarantee reduction of germs. Ideal to clean crockery and feeding bottles.

#### TABLET

This setting allows you to optimize the performance of the program according to the type of detergent used.

#### 5 YEAR WARRANTY

Guarantees peace of mind and value for money knowing that any product fault or defect is covered by full replacement parts and/or a service call to ensure the product works as described.
